Villas at Woodland Hills – Waynesville

Located in the heart of the Woodland Hills subdivision, these villas are expertly positioned within this already existing single family home neighborhood. Currently this section of the subdivision is under construction with the first villas projected to be completed by late fall 2011. Designed with conveniences and comfort in mind, these villas feature many standard options such as full kitchen appliances including washer and dryers, his/ her closets in master suite and one car garages. These units are available for either lease or purchase. If the option to purchase is exercised, there are many up-graded features that can be added to your villa of choice including granite counter tops, stainless steel appliances and other finishing details. Subdivision located in the Waynesville School District. Please browse through the available photo gallery and download the property packet for current lease and purchase prices. Contact our office for additional information and availability.
